Acknowledgement of Country

Best Practice Software acknowledges the Traditional Custodians of Country throughout Australia and recognise their unique cultural and spiritual relationships to the land, waters, and seas and their rich contribution to society. We pay our respects to ancestors and Elders, past, present, and emerging.

Best Practice Software respects Māori as the tangata whenua and Treaty of Waitangi partners in Aotearoa New Zealand.

Think and Design : Focus on Bp Premier Clinical

Monique Willis

Monique has been with Best Practice for over 6-years, initially supporting GPs and allied health providers in New Zealand, before joining the Bp Premier product team.

She brings extensive experience in delivering software solutions focused on solving real-world opportunities and pain-points, and guiding customers through major industry transformations.

Shar O'Dea

Shar has a background in training and teaching and has worked in product at Best Practice since 2019.

She managed the Bp Premier portfolio through COVID and now is working on the future of Best Practice managing the Omni team, successfully launching Omni to NZ Physiotherapy users.

Ekta Kapoor

Ekta is a results-driven Product Owner with over 8 years of experience in the digital health domain.

Ekta has been working with Best Practice Software for over a year and is passionate about building user-centric solutions and specialises in requirement elicitation and stakeholder engagement to drive product success.

The background of the slide is a dark blue gradient with a faint, light blue constellation pattern. The pattern consists of various star shapes connected by thin lines, forming recognizable celestial figures. Some of the constellation names are visible in a light blue font, including 'LEO', 'COR CAROLI', 'MIZAR', 'THUBAN', 'DRACO', 'URSUS MAJOR', 'URSUS MINOR', 'POLARIS', 'CEPHEUS', 'CASSIOPEIA', 'GEMINI', 'CASTOR', 'POLLUX', 'CANIS MINOR', and 'CANCER'.
