Acknowledgement of Country

Best Practice Software acknowledges the Traditional Custodians of Country throughout Australia and recognise their unique cultural and spiritual relationships to the land, waters, and seas and their rich contribution to society. We pay our respects to ancestors and Elders, past, present, and emerging.

Best Practice Software respects Māori as the tangata whenua and Treaty of Waitangi partners in Aotearoa New Zealand.

Think and Design – Focus On Best Practice Mobile

Anthony Lee

Product Manager

Anthony has been with Bp Software for over four years and has spent more than two decades working across the entire distributed software stack—spanning customer needs, market strategy, product delivery, design, and deep technical architecture

Lauren Morgan

Product Owner

Lauren has over ten years of software experience in primary and secondary healthcare, with a track record of successful beta launches and market introductions. She is passionate about truly understanding clinical workflows, and collaborating with development teams and vendors to translate complex requirements into usable solutions that make peoples' lives easier.

Teresa Karl

Team Manager, Product

Teresa Karl is a healthcare technology leader with a strong focus on digital transformation in general practice. As part of the team at Best Practice Software, she works closely with clinicians to design tools that support safer, more flexible, and patient-centered care.
